PRODUCT	RELEASE	PRODUCTION DATE	COMMENTS
FOCUS	V7.7	August, 2011	FOCUS for Mainframe Release 7.7.03
	V7.6	March, 2011	FOCUS for Mainframe Release 7.6.12
		March, 2010	FOCUS for Mainframe Release 7.6.11 This Service Pack has been superseded by a later release and is no longer available.
		October, 2009	FOCUS for Mainframe Release 7.6.10 This Service Pack has been superseded by a later release and is no longer available.
		May, 2009	FOCUS for Mainframe Release 7.6.9 This Service Pack has been superseded by a later release and is no longer available.
		January, 2009	FOCUS for Mainframe Release 7.6.8 This Service Pack has been superseded by a later release and is no longer available.
		September, 2008	FOCUS for Mainframe Release 7.6.7 This Service Pack has been superseded by a later release and is no longer available.
		August, 2008	FOCUS for Mainframe Release 7.6.6 This Service Pack has been superseded by a later release and is no longer available.
		May, 2008	FOCUS for Mainframe Release 7.6.5 This Service Pack has been superseded by a later release and is no longer available.

		November, 2007	FOCUS for Mainframe Release 7.6.4 This Service Pack has been superseded by a later release and is no longer available.
		October, 2007	FOCUS for Mainframe Release 7.6.3 This Service Pack has been superseded by a later release and is no longer available.
		July, 2007	FOCUS for Mainframe Release 7.6.2 This Service Pack has been superseded by a later release and is no longer available.
		May, 2007	FOCUS for Mainframe Release 7.6.1 This Service Pack has been superseded by a later release and is no longer available.
	V7.3R0a	May, 2008	FOCUS for Mainframe Release 7.3 Service Pack 12 (7.3.12).
		November, 2007	FOCUS for Mainframe Release 7.3 Service Pack 11 (7.3.11) This Service Pack has been superseded by a later release and is no longer available.
		August, 2007	FOCUS for Mainframe Release 7.3 Service Pack 10 (7.3.10) This Service Pack has been superseded by a later release and is no longer available.
		January, 2007	FOCUS for Mainframe Release 7.3 Service Pack 9 (7.3.9) This Service Pack has been superseded by a later release and is no longer available.
		September, 2006	FOCUS for Mainframe Release 7.3 Service Pack 8 (7.3.8) This Service Pack has been superseded by a later release and is no longer available.
		April, 2006	FOCUS for Mainframe Release 7.3 Service Pack 7 (7.3.7) This Service Pack has been superseded by a later release and is no longer available.
		February, 2006	FOCUS for Mainframe Release 7.3 Service Pack 6 (7.3.6) This Service Pack has been superseded by a later release and is no longer available.
		September, 2005	FOCUS for Mainframe Release 7.3 Service Pack 5 (7.3.5) This Service Pack has been superseded by a later release and is no longer available.
		July, 2005	FOCUS for Mainframe Release 7.3 Service Pack 4 (7.3.4) This Service Pack has been superseded by a later release and is no longer available.
		May, 2005	FOCUS for Mainframe Release 7.3 Service Pack 3 (7.3.3) This Service Pack has been superseded by a later release and is no longer available.
		February, 2005	FOCUS for Mainframe Release 7.3 Service Pack 2 (7.3.2) This Service Pack has been superseded by a later release and is no longer available. READMEF Files Missing in 7.3.1 & 7.3.2
		July, 2004	This Service Pack has been superseded by a later release and is no longer available. If you have already installed FOCUS 7.3, we urge you to install V7.3R0a in its place.
	V7.3R0	March, 2004	FOCUS 7.3 for MVS (7.3.0) This Service Pack has been superseded by a later release and is no longer available.

	V7.2R0	December, 2005	FOCUS for Mainframe Release 7.2 Service Pack 11 (7.2.11) No more service packs are scheduled for FOCUS 7.2 at this time.
		June, 2005	FOCUS for Mainframe Release 7.2 Service Pack 10 (7.2.10) This Service Pack has been superseded by a later release and is no longer available.
		March, 2005	FOCUS for Mainframe Release 7.2 Service Pack 9 (7.2.9) This Service Pack has been superseded by a later release and is no longer available.
		June, 2002	If your site will be running any SU applications, we recommend you install PTF 214723. See Technical Memo 7996: *PTF Available for SU Under FOCUS 7.2* for details. Customers using Syncsort for z/OS, please see *Performance Problems or U4093 Abend with Customer Written Subroutines*
	V7.1R1	May, 2001	All existing 7.1R0 customers have received a PTF to bring them up to the 7.1R1 maintenance level. Customers using Syncsort for z/OS, please see *Performance Problems or U4093 Abend with Customer Written Subroutines*
	V7.0R9	September, 1999	*A patch is required for OS/390 Version 2.8, 2.9, and 2.10 support and z/OS (all releases) support.
	V7.0.8R		*A patch is required for OS/390 Version 2.8, 2.9, and 2.10 support and z/OS (all releases) support.
	V7.0.8		Release 7.0.8 Functionally Stabilized Patches and PTF's will no longer be created for this release. *A patch is required for OS/390 Version 2.8, 2.9, and 2.10 support and z/OS V1R1 and V1R2 support.
COBOL FD Translator	3.0.7	July, 2004	
SiteAnalyzer/ Smartmode	V7.2R4 V7.3	January, 2004	SiteAnalyzer for FOCUS for Mainframe release 7.2 SP4 and 7.3 and Smartmode for release 7.3 are available. SiteAnalyzer MODIFY Collection Available in 7.2 SP4 and 7.3. GKE module must be linked as non-reentrant in SiteAnalyzer 7.2 SP4 and higher and 7.3 MVS Smartmode.

		June, 2002	If your site will be running any SU applications, we recommend you install PTF 214948. See *Technical Memo 7996: PTF Available for SU Under FOCUS 7.2* for details.
	V7.1R1	May, 2001	All existing 7.1R0 customers have received a PTF to bring them up to the 7.1R1 maintenance level.
	V7.0R9	September, 1999	
	V7.0.8R		
	V7.0.8		
COBOL FD Translator	3.0.4	May, 2003	This release is required for FOCUS for Mainframe Release 7.2.
SiteAnalyzer/ Smartmode	V7.2R4 V7.3	January, 2004	SiteAnalyzer for FOCUS for Mainframe release 7.2 SP4 and 7.3 and Smartmode for release 7.3 are available.
Web390	3.2.1	October, 1999	Web390 V3.2.1 is the most current release on this platform.
Web Interface	V7.1R1	May, 2001	

FOCUS for FOCUS for UNIX (Open Environments)

The UNIX FOCUS releases listed are the most current releases available when ordering from Information Builders Installations.

FOCUS for UNIX Releases 7.0.1.60c and 6.9.4.208c are available.

Support Notice: FOCUS for UNIX Release 6.8.x is functionally stabilized as of July 31, 2007.

Note: HP's Superdome UNIX server requires at least FOCUS for UNIX release 6.9/2.80c (certification status: Field Accepted Testing).
